LATINA VICTIM OUTREACH PROJECT Bilingual Technical Assistance Request Form

Arte Sana (art heals) is pleased to announce a new statewide bilingual training and technical assistance for victim advocates. The Latina Victim Outreach Project is aimed at reducing the risk of sexual assault and domestic violence among Spanish-speaking communities.

From February through July 2007, Arte Sana will offer technical assistance to rape crisis centers in the form of translation support from English to Spanish as well as peer review of a center's existing Latino outreach materials. Translation requests are limited to 2 pages (for example: 1 brochure front and back). If translation is necessary by a certain deadline, please submit request one month prior to target date.
