

Be a Nuestras Voces Sponsor

Arte Sana is pleased to announce **NUESTRAS VOCES / OUR VOICES: National Bilingual Sexual Assault Conference**; a gathering of Latin@ victim advocates, prevention specialists, survivors, and allies promoting the engagement of Latin@s as agents of change in addressing gender-based violence.

Arte Sana needs your support to help cover costs and make this event a success!

The economy and non-profit budget cuts have meant less available funds for professional training. Since its very first national conference Arte Sana has always supported the professional development of state coalition and direct service victim advocates and *promotoras* through full and partial scholarships.

Your support can assure the attendance of community outreach workers in some of the most impoverished regions of the United States / Mexico border.

We are seeking donations for the *Nuestras Voces* conference booklet from donor agencies and individuals.
